PrimaGuard SUPREME

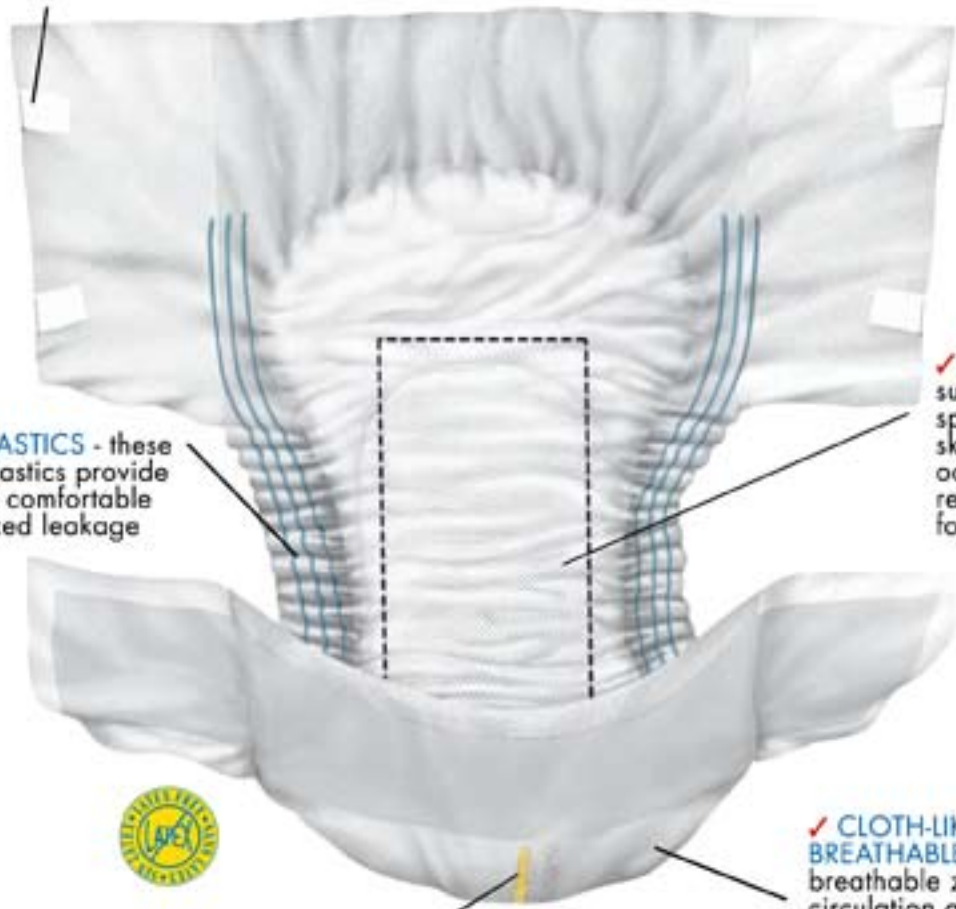

✓ **HOOK FASTENERS** - advanced closure tabs that securely cling to the outer fabric anywhere on the brief.

✓ **CURVED ELASTICS** - these blue curved elastics provide a better, more comfortable fit and enhanced leakage protection.

✓ **ABSORBENCY** - superior acquisition speed which improves skin dryness, provides odor control and reduces the potential for leakage.

✓ **WETNESS INDICATOR** - alerts the caregiver that the brief has been soiled and needs to be changed.

✓ **CLOTH-LIKE FABRIC WITH BREATHABLE ZONES** creates breathable zones, adding air circulation and reducing heat build up to promote healthier skin.
